EXAMINATION RESULTS:

Except your child/ward is yet to fulfill all the financial obligations for the term a PIN to access his /her result would be given with this circular.

Those who did not come to school can still collect other times except on graduation day. Our website will be opened on the 25th of July, 2023, to enable you check the 3rd term result of your child /ward.

If you have any issue with the result or find any difficulty in accessing the result, contact the office of the Head of School.

SCHOOL FEES:

We want to inform you that the school is working on upward review of fees and some other charges because of the present economic realities. The running cost of the school has risen astronomically and because we want to maintain the high academic standard the school is known for, there is need for an upward review of the school fees.

Details will be communicated to you soon.

We wish all our pupils and students a happy holiday period. May the Almighty God provide for you abundantly to enable you fend for your family.

Yours faithfully,

Mrs. A.V. Adubi
Head of School.
